

Jaron Seijffers

Product Executive | Data-Driven Strategy & Process Transformation

Jaron.Seijffers@gmail.com | 📞 +31623559601 | 🏠 Amstelveen

Professional Summary

Hands-on product leader with 10+ years driving AI-powered SaaS growth across startups and scale-ups. Proven record of taking products from zero to scale: pivoting business models, leading product teams, and shipping enterprise-grade platforms adopted by Fortune 500 and SMB customers alike. Adept at moving organizations from bespoke client delivery to scalable, design-led platforms, blending data-driven rigor with creative product vision. Skilled in aligning founders, investors, engineering, and design to deliver SaaS products that delight end-users and achieve measurable business impact.

Core Competencies

Product Leadership & Strategy: Defining product vision, roadmaps, and go-to-market.

AI & SaaS Innovation: Translating LLMs, generative AI, and MLOps into customer value.

Scale-up Execution: Shaping product culture, hiring and mentoring PMs, shipping fast.

Enterprise SaaS Delivery: Building secure, privacy-conscious platforms at scale.

Design-Led UX: Partnering with design to deliver intuitive, world-class product experiences.

Cross-Functional Alignment: Driving collaboration between founders, investors, and teams.

Professional Experience

Director of Product | Noogata (AI SaaS, eCommerce)

Dec 2020 – April 2025

- Scaled product from early-stage AI pilots into enterprise SaaS platform adopted by Fortune 500 clients (Walmart, Colgate, PepsiCo).
- Shipped AI-powered dashboards that boosted weekly active power-users by 50%
- Transitioned company vision from “data-first” to “insights-first”, leading to a 7-figure renewals
- Defined and launched a clustering engine and attribute-extraction model processing 100M+ SKUs/year, powering Walmart’s marketplace onboarding at scale.
- Built KPI and AI governance frameworks to track adoption, model accuracy, and ROI, aligning executive decisions with measurable outcomes.
- Mentored PMs, designers, and data scientists; founded an internal AI Guild to evangelize responsible AI and accelerate adoption.

Co-Founder & Head of Product | Spitball (EdTech SaaS)

Sep 2017 – Nov 2020

- Pivoted company from B2C marketplace to B2B SaaS learning platform, scaling to \$500K ARR in first year.
- Defined MVP, wrote PRDs, and worked hands-on with engineering to ship platform reaching 1M+ users.
- Established OKR-driven product culture, embedding experimentation and data-driven decision-making (20+ A/B tests per month).
- Secured seed investment by demonstrating traction and validated go-to-market.

Director of Growth & Product Strategy | G Tech Media (FinTech SaaS)

2015 – 2017

- Scaled monthly revenue from \$100K to \$1M through product-led growth initiatives.
- Built CRM and BI dashboards, boosting marketing ROI by 20% and reducing churn by 20%.
- Drove international expansion with automated ad funnels and retention campaigns.

Product Marketing | Markets.com (FinTech SaaS)

2013 – 2015

- Helped launch and market crypto trading features, enabling users to trade Bitcoin and other digital assets on the platform, contributing to early adoption and user growth
- Worked with R&D and trading teams to define crypto trading flows and improve the platform’s user experience for active traders
- Increased customer profitability by 35% through funnel optimization and feature testing
- Using marketing automation to reduce drop-off rates and increase engagement by 30%

Director of Business Development | Markets.com (FinTech SaaS)

2011 – 2013

- Closed \$15 M+ in strategic partnerships across the Benelux, expanding market share and revenue
- Built and managed partner ecosystem to expand market reach and drive regional revenue growth

Director of Sales & Marketing | J.S. Agency (Luxury Fashion)

2004 – 2011

- Managed a portfolio of 400+ clients across the Netherlands, Germany, and Belgium.
- Led seasonal product planning and launches, coordinating with Italian HQ and local retailers.
- Drove business development strategy and brand presence, achieving 6x revenue growth
